This course provides both management and advanced floral designing in a single course format. We have interspersed a series of presentations to give students a better understanding of the business aspects of a retail flower shop.

\* Contemporary Designs

- Everyday occasion, flower & sympathy, . grand opening, wedding designs, seasonal designs.

\* Management - Business principles and organisation, pricing methodology, visual merchandising.

\* Floriculture - Care and handling of flowers.

\* Floral Background - Colour and design theory, floral industry trends.

\* Certificate of completion will be given upon successful completion of the course and examination.

\*All materials will only be provided in-class. Students are not allowed to bring back the end-product or remaining materials. A special rate will be offered if students wish to do so. Full payment of fees required before class commence.
